

**Defensible Space Action Team Meeting**  
**Tuesday, March 10, 2026, 2:30 pm to 4:00 pm**  
**La Pine Fire Station #101**

*This is the monthly meeting of the Defensible Space Action Team, an Action Team of the Newberry Regional Partnership.*

The Defensible Space Action Team is a part of the NRP's broader efforts to create a more wildfire-adapted and resilient community. The team works in partnership with other organizations to educate and assist homeowners with creating and maintaining defensible space. Defensible space is the area around a home that is strategically managed to reduce the risk of it catching fire during a wildfire.

By promoting defensible space, the Defensible Space Action Team helps to create safer neighborhoods for residents and provides a safer environment for firefighters responding to a wildfire.
